

WHAT COLLEAGUES SAY ABOUT HOLIDAY AS SOUTHEAST REGIONAL MGR.

Dear All,

It's not often a team member says goodbye to us. Tom Holiday has given 30-days notice to Bob at the RAB Convention in Dallas.

I would like to say that Tom Holiday set the bar for doggedness, constant customer contact and superb follow-through/follow-up through email. Tom took a territory that was becoming snake-bit through several rep changes and built it up. Tom will be missed. And we all want to wish Tom, his wife Jaye, and their Airedales well in Sacramento as Tom begins his new position as General Manager for Salem Radio there in early March.

Thank you.

Sincerely, Mike

Hi Tom,

First—congratulations on your new role. I wish the best for you and Jaye personally. Professionally—I'll know you do great. The folks who will be working for you are so lucky to have your leadership, guidance and positive attitude.

That being said—I'll miss you terribly. I have to thank YOU for my new love of sushi, my class textbook—"101 Ruthless Rules of Advertising," my attempt to remain true to myself while under the contortions of corporate pressure and my new found respect for the Scriptures. You have been a great colleague and more importantly a good friend. I value our time together and what I learned from you.

Please stay in touch and call me anytime that I can help you in your new role. Good luck with the transition. I'm sure you have a lot on your plate with moving and transitioning jobs. I'll have a tuna roll in Houston in your honor!
