We have really enjoyed having you as our rep too Tom. Your replacement will have a hard act to follow, which is something YOU did not have to worry about coming into the position. Please let Bob Jordan know we acknowledge you have brought a new level of professionalism and courtesy to the Media Audit Southeast Manager position for them.

Tom: Best of luck with all the preparations and with the new job. When you get settled send us an email so we can keep in touch. I have been through Sacramento a few times on the way from San Francisco to Lake Tahoe, we go out to visit relatives there every once in a while. I have a lot of California relatives on both sides of my family and my husband's too! My dad lived out there in the late 1940's, too. We were there this summer. Anyway, take care and don't be a stranger! Liz
